Minor deficiencies were identified and referred to the appropriate departments for corrective action and follow-up. ISD will continue to provide training and technical assistance to departments to ensure compliance with the Living Wage Program.

The *Living Wage Program Annual Report* is a team effort on the part of County departments and the Living Wage Implementation Team, consisting of the Chief Executive Office, Auditor-Controller, County Counsel, the Department of Public Works and ISD. ISD thanks all participants for their commitment in preparing this report and supporting the Living Wage Program.

LIVING WAGE PROGRAM ANNUAL REPORT

January 1 – December 31, 2013

I. Introduction

The Board of Supervisors adopted the County's Living Wage Program (LWP) on June 15, 1999 (Los Angeles County Code, Title 2, Chapter 2.201). As of July 1, 2011, the Countywide Contract Compliance Section (CCCS) of the Internal Services Department (ISD) has been responsible for monitoring compliance with the LWP.

Departments are responsible for conducting day-to-day monitoring efforts of their respective contracts subject to the LWP. ISD's LWP responsibilities include:

- Providing annual reports on department and contractor compliance with the LWP.
- Providing guidance and information to departments concerning their LWP responsibilities.
- Assisting departments and providing centralized monitoring of LWP contracts and requirements.

The LWP applies to Proposition A contracts and cafeteria services contracts commencing on or after October 22, 1999. The Board approved an increase to the living wage rates for contracts awarded after June 15, 2007.

This *LWP Annual Report* covers a calendar year reporting period from January 1 through December 31, 2013.

This report encompasses 17 departments and 218 LWP contracts. The report summarizes department and contractor compliance and data on salary and healthcare benefits, including the following exhibits:

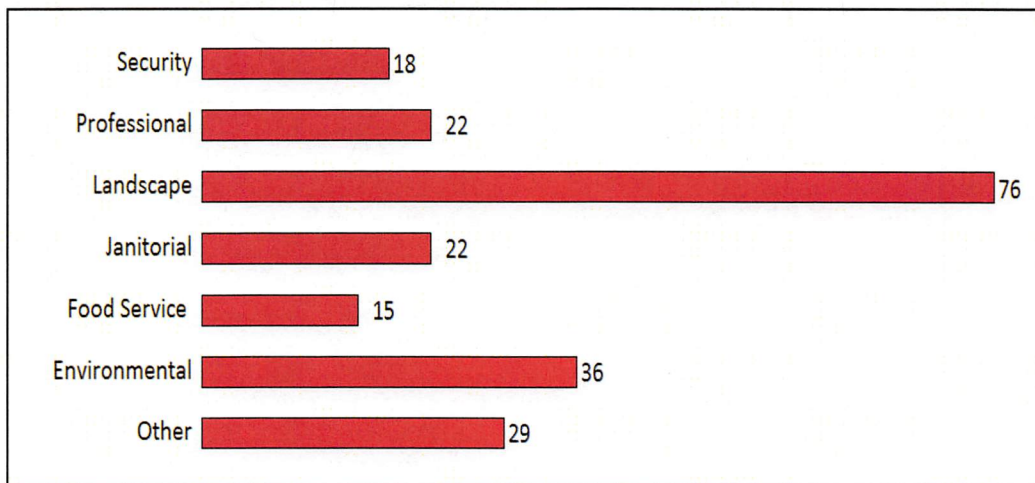

- Department LWP Contract Summary (*Exhibit A*) identifies the department abbreviations used in the exhibits and a summary of the number of contracts per department.
- Active Living Wage Projects by Departments (*Exhibit B*) identifies active LWP contracts through December 31, 2013. The contracts highlighted were awarded during this reporting period.
- Sub-Contractor Report (*Exhibit C*), provides a list of current sub-contractors servicing Living Wage contracts.
- Exemption Report (*Exhibit D*), provides a list of current contractors and sub-contractors with Living Wage exemptions.

II. Living Wage Program Accomplishments

ISD continues to ensure that departments and contractors understand their roles and responsibilities under the LWP, and provides guidance on policy changes to ensure compliance with the LWP. During this period, ISD completed the following:

- Updated and redesigned the Living Wage Manual and Living Wage Ordinance (LWO) Contractor Guide.
- Provided technical assistance to departmental staff to improve their understanding, monitoring activities, and ensure that contract solicitations complied with LWP requirements.
- Conducted departmental training to County employees regarding LWP solicitation and monitoring procedures.
- Participated in 28 Solicitation Conferences and 33 Pre-Job Conferences to provide information and ensure understanding of the LWP.
- Conducted County department reviews to ensure compliance with the monitoring of Proposition A and cafeteria services contracts consisting of various services (see **Figure 1**). Departmental reviews included reviewing living wage contracts, managing the LWP hotline and responding to inquiries/complaints, and reporting instances of non-compliance issues to respective departments for corrective action and follow-up.

Figure 1 - Service Categories¹

¹Other includes Auto Management, Parking Management, Clerical, Language Services, and Transportation. Food Service includes 3 cafeteria services contracts (i.e. non-Prop. A).

III. Monitoring

a) Departmental Compliance Reviews

ISD reviewed 51 LWP contracts (representing 17 departments) to evaluate contractor and department completeness, accuracy, timeliness of monitoring responsibilities and departmental maintenance of documentation as required by the LWP. The compliance reviews revealed general compliance by contractors and by departments in monitoring their LWP contracts.

Overall, compliance reviews indicated that most departments have adhered to Board instructions by using the standardized monitoring forms, conducting annual on-site administrative reviews with contractors, following guidelines and generally complying with the LWO requirements and relevant State and federal labor laws. Departments continued to require assistance from ISD to continuously develop LWP monitoring skills and have the most recent LWP resources.

b) Employee Interviews

ISD reviewed completed contract worker questionnaires to ensure that departments conducted employee interviews, within the guidelines established for the LWP. Employees were asked to verify contractor compliance with LWP requirements to ascertain whether the employees received the LWP's Notice to Employees. ISD confirmed, when applicable, that departments verified the LWO posters were displayed in conspicuous areas. ISD also verified that employees were working full-time and paid in accordance with the applicable LWO rates.

In addition, ISD verified that employee wages and health care benefits, if any, were accurately reflected in the contractors' payroll reports and if applicable, that employees received health care benefits. ISD found no significant discrepancies between employee statements contained in the questionnaires when compared to contractors' reported wages and health benefits. Where these reviews identified isolated instances of possible contractor violations (e.g., labor law, contract performance terms, etc.), ISD notified respective departments of findings and followed up to ensure the issue(s) were addressed and resolved. LWP guidelines require departments to interview 10% of the contract employees or, if the contractor employs 10 employees or fewer, the department must interview all employees. ISD found that departments were compliant with conducting the required number of interviews.

c) Employers Offering Healthcare Benefits

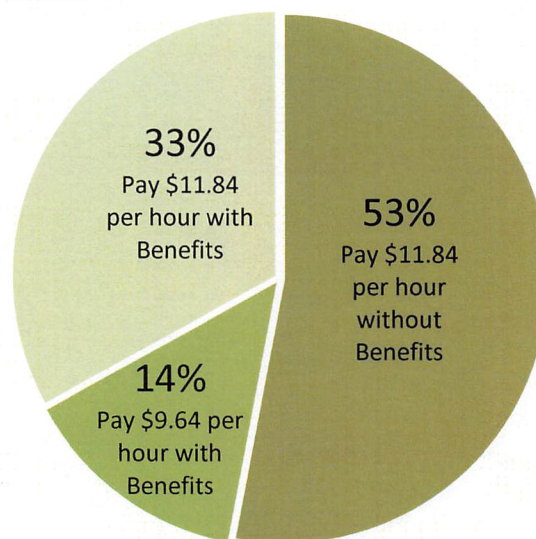

Under the LWP, all employers must pay their employees either: (1) a living wage of \$11.84 per hour without healthcare benefits, or (2) \$9.64 per hour plus not less than \$2.20 per hour per employee toward healthcare benefits. These pay rates (effective June 15, 2007) apply to all applicable Living Wage contracts.

Based on data gathered from County departments, 47% of contracts (103 of 218) offered some type of healthcare benefits to employees during this rating period. See **Figure 2** below.

For this period, employers offering health benefits are as follows:

- 115 contracts (53%) pay the living wage of at least \$11.84 per hour and do not offer any form of health benefits.
- 72 contracts (33%) pay \$11.84 per hour and also provide some form of health benefits (less than \$2.20 per hour).
- 31 contracts (14%) pay \$9.64 per hour and contribute at least \$2.20 per hour toward health benefits.

IV. Technical Assistance and Training Activities

Technical Assistance

ISD continued to provide technical assistance and training to County departmental contract staff regarding their responsibilities to enforce LWP requirements. ISD provided direction to County departments for clarifying and resolving LWP labor/payroll issues. ISD also provided technical assistance to departments during their solicitation process by reviewing contract information (e.g., solicitation documents, staffing plans, forms, exemption requests, and evaluation criteria) to ensure that departments meet all LWP criteria. During this reporting period, there were 110 documented instances of technical assistance provided to departments.

The *Living Wage Ordinance Contractor Guide*, designed to help proposers and contractors understand the County's LWP, was updated by ISD and made available to departments in April 2013. The revised *Contractor Guide* is available on the County's Purchasing and Contracts web portal at the following link:

<http://purchasingcontracts.co.la.ca.us/OAACLivingWageContractorGuide.pdf>.

ISD also updated the *Living Wage Manual* (formerly the *Living Wage Training Manual*) and distributed it to departments in May 2013. The *Manual* outlines specific procedures and processes required to ensure compliance with the Living Wage Program. Updates and enhancements included providing hyperlinks to the Living Wage forms, incorporating the *Living Wage Implementation Plan*, and additional information and resources. The redesigned manual is available on the County's Purchasing and Contracts web portal at the following link:

<http://purchasingcontracts.co.la.ca.us/Living-Wage-Manual.pdf>.

Training

ISD continues to provide training and guidance to department staff responsible for administering and monitoring LWP contracts. Actual assessment reviews and findings with case studies are used as training tools. ISD conducted two half-day countywide training sessions with a total of 55 attendees on April 16, 2013 and October 23, 2013, and continues to offer individual training sessions to departments.

V. Standardized Monitoring Process

To improve the County's process for monitoring contracts for LWO compliance, the Living Wage Implementation Team accomplished the following enhancements during this reporting period:

- Standardized and automated the LWP monitoring forms and procedures and added online links to the LW Manual.
- Strengthened contract language and solicitation requirements.
- Trained County contract monitors and managers.
- Strengthened departmental on-site contract employee interviews.
- Enhanced departmental administrative compliance reviews.
- Reviewed industry standards for employees working less than the full-time equivalent of 40 hours.

The County currently has 20 standardized forms used in monitoring the LWP. These forms have been reviewed and approved for use by County Counsel. The forms are consistent with the Living Wage Implementation Plan approved by the Board and the LWP Enhanced Monitoring Guidelines developed by the Living Wage Implementation Team. Links to the forms are available to County employees in the *Living Wage Manual* at the ISD Purchasing and Contracts intranet website available at the following link:

<http://purchasingcontracts.co.la.ca.us/Living-Wage-Manual.pdf>.

The Monthly Compliance Report Checklist is utilized to assist in verifying that all the requirements of the LWP have been met (i.e., monthly payroll reports are accurate and have been submitted by the required dates to the department). The Payroll Reporting Discrepancy Report is utilized to identify any discrepancies found on the contractor's payroll submittals. The On-Site Administrative Compliance Reviews are conducted and the Request for Corrective Action form is utilized for follow-up when indicated. The Employee Interview Questionnaire is utilized when conducting the annual on-site employee interviews (or more frequently, when indicated).

VI. Evaluation of Labor Law/Payroll Violations

The County's Labor Law/Payroll Violations Assessment Team (Assessment Team) reviews and assesses the severity and extent of labor violations of firms submitting proposals to provide services under LWP contracts. The Assessment Team consists of representatives from ISD, Public Works, and the Chief Executive Office (CEO) with County Counsel serving as the legal advisor.

Based on the severity, number, and completeness of disclosure of reported claims and/or violations, the Assessment Team recommended deductions to evaluation scores consistent with the Guidelines for Assessment of Proposer Labor Law/Payroll Violations.

During this reporting period, the Assessment Team evaluated 12 proposers with reported claims for and/or labor law/payroll violations. Many of the 12 proposers responded to multiple separate contract solicitations. The following summarizes the Assessment Team's recommendations:

- Eleven proposers were classified as not having any violations and received recommendations for zero deductions.
- One proposer was classified as having significant violations, some of which were not fully disclosed, and received a recommended deduction of 5%.

VII. Living Wage Program Objectives Update

On March 30, 2007, the Board instructed the CEO to work with other departments to develop and implement an automated solution to accurately track and project impacts associated with LWO contracts. In conjunction with your instructions, CEO agreed that the LWP Annual Report would be enhanced to include the following:

- The total number and costs of LWO contracts.
- Updated information regarding annual living wage rate increases.

The following subsections highlight implementation of the directives above and provide updates since our last report.

a) Automated Tracking of Contract Costs

The costs of LWP contracts were determined by utilizing the prescribed methodology outlined in the CEO's memorandum to the Board of Supervisors dated March 30, 2007. The current methodology utilizes information obtained from the ISD database of active LWP contracts which the Auditor-Controller reconciled with eCAPS to validate contract costs. The results are presented in Table 1 below.

Table 1

Total Number of LW Contracts	218
Total Cost of LW Contracts FY 2012-13	\$170,834,928 ²

For an itemized list of costs per contract, see **Exhibit B**.

b) Review of Living Wage Rates

For 2013, the Auditor-Controller (A-C) did not provide an annual living wage update as part of the *Living Wage Annual Report*. Since 2006, the A-C has provided the Board with updates to the living wage rate as part of the *Living Wage Annual Report*. The updated living wage was based on utilizing the same approach that the Board adopted in 1999. The wage portion of the living wage was based on the minimum gross earnings a participant, living in a family of three, would need to earn to become ineligible for cash assistance under the CalWORKs Program. The insurance portion of the living wage was based on the lowest available standard HMO monthly rate per age group for "Employee & Spouse."

In September 2013, the CEO reported to the Board that the Affordable Care Act (ACA) may impact the County's Living Wage Program and the methodology used to calculate an updated living wage. Although the extent of the impact was unknown, the CEO provided alternatives for calculating the living wage based on CPI and Cost of Living Adjustments (COLA) for County employees.

In October 2013, the County learned that under the ACA, individuals earning the County's living wage may receive medical insurance at no cost since they may be eligible to receive Medi-Cal. As a result, the insurance component of the living wage, currently \$2.20 per hour, may no longer be applicable. In addition, with the ACA, the financial burden to Los Angeles County may be significantly reduced since previously uninsured individuals will be required to obtain medical insurance.

VIII. Living Wage Hotline Calls

The Los Angeles County Living Wage Hotline is designed to receive calls reporting suspected LWP violations 24 hours per day, 7 days per week. During the reporting

² Source: Auditor-Controller

period, a total of 52 calls were received. The response time was immediate for 33 calls (63%); within 24-hours for 13 calls; within 48-hours for four calls and beyond 48-hours for two calls due to technical difficulties. Twenty-four calls were related to the LWP; 28 were not. See **Table 2** below.

One significant complaint alleging discrimination (non-Living Wage) and was identified and referred to the contracting department and the Office of County Investigations.

Table 2

Classification	Number of Calls
General inquiry	10
Rates	14
Non-Living Wage	28
Total	52

The Living Wage Toll-Free Hotline telephone number is (888) 550-WAGE or (888) 550-9243 and is included on the Posters and on the Notice to Employees Handout form that is provided to the contractor for distribution to their contract employees annually. Complaints or general inquiries may be sent electronically to ISD at LWO-Construction-Info@isd.lacounty.gov.

Conclusion

The following summarizes the current LWP status:

- Departments and contractors are generally compliant with the LWP.
- Departmental deficiencies were identified as follows and were referred to the appropriate departments for corrective action and follow-up.
 - Monitoring procedures.
 - Non-compliance with the LWP Implementation Instructions.

ISD will:

- Continue to monitor and provide technical assistance to departments and contractors.
- Address recurring problem areas in future LWP training sessions.
- Continue to oversee the LWP solicitation process and collaborate with the LWP Implementation Team (Chief Executive Office, Auditor-Controller, County Counsel, the Department of Public Works, and ISD) to strengthen and interpret the LWP Implementation Instructions and address any new developments or issues to ensure countywide compliance.
